The purchaser identified on the face of this Order ("SSAB") agrees to purchase and Supplier agrees to sell the goods, materials, equipment and machinery ("Goods") and/or provide the services ("Services") described in this purchase order including in any document, drawing or Schedule referred to or incorporated by reference in this purchase order (collectively, the "Order"); subject to the following:

1. Scope of Work.
   a. SSAB agrees to purchase and Supplier agrees to sell the Goods and/or provide the Services upon the first to occur of the following events: Supplier or its agent executing and delivering the acknowledgement copy of this Order to SSAB; Supplier shipping or delivering the Goods to SSAB; or Supplier commencing the performance of the Services.

2. Performance.
   a. Supplier agrees to furnish the Goods and/or Services ordered herewith and in accordance with the terms and conditions set forth in this Order including, but not limited to, the mandatory safety, environmental, and quality management policies and procedures of SSAB. Supplier shall perform the work under any order from SSAB in conformity with SSAB's Supplier Sustainability Policy (available at www.unglobalcompact.org). SSAB, or a third party assigned by SSAB, reserves the right to conduct reviews of Supplier on-site audits to ensure compliance with SSAB's Supplier Sustainability Policy. Supplier agrees to cooperate in order to facilitate such reviews or audits. SSAB also expects Supplier, within its sphere of influence, to monitor its own suppliers for commitment to environmental and social responsibility.

3. Acceptance.
   a. Supplier shall deliver the Goods to the location specified in the Order and on the date mutually agreed among the parties. The Goods will be free of any harmful programs or data that disrupt the proper operation thereof, and will perform the functions and meet or exceed the performance specified in the Order. Supplier shall obtain all necessary permits and/or licenses an

4. Title and Risk.
   a. Unless otherwise specified in this Order, title to and risk of loss for all Goods shipped to SSAB will pass to SSAB at the time of shipment. Partial shipments are not permitted unless otherwise agreed to in writing by SSAB. For the purpose of transferring title to the Goods, Supplier hereby grants to SSAB a security interest in and to the completed or partially completed Goods covered by SSAB's progress payments.

5. Payment.
   a. Unless otherwise specified in this Order, payment of Supplier's invoice shall be due 60 days after receipt by SSAB, provided that such date does not otherwise conflict with the amount of such invoice in good faith. Final payment subject to SSAB receiving a complete set of "as built" drawings, in the case of Services, for a period of 12 months from the date that the Services are completed and accepted by SSAB. Final payment shall not be due until Supplier has delivered such releases or waivers of all claims for mechanics' and materialmen's liens as SSAB may reasonably require.

6. Inspection.
   a. SSAB shall have the right to inspect the Goods at Supplier's plant or other place of manufacture. Notwithstanding any such inspection, Supplier shall be responsible for any defects in the Goods, including but not limited to latent defects, asso

   a. Supplier warrants that the Goods furnished under this Order shall meet in all respects the specifications, drawings, descriptions or other requirements of this Order, including, without limitation, with respect to such Goods shall pass to SSAB. Partial shipments are not permitted unless otherwise agreed to in writing by SSAB. For the purpose of transferring title to the Goods, Supplier hereby grants to SSAB a security interest in and to the completed or partially completed Goods covered by SSAB's progress payments.

8. Payment.
   a. Unless otherwise specified in this Order, payment of Supplier's invoice shall be due 60 days after receipt by SSAB, provided that such date does not otherwise conflict with the amount of such invoice in good faith. Final payment subject to SSAB receiving a complete set of "as built" drawings, in the case of Services, for a period of 12 months from the date that the Services are completed and accepted by SSAB. Final payment shall not be due until Supplier has delivered such releases or waivers of all claims for mechanics' and materialmen's liens as SSAB may reasonably require.

9. Inspection.
   a. SSAB shall have the right to inspect the Goods at Supplier's plant or other place of manufacture. Notwithstanding any such inspection, Supplier shall be responsible for any defects in the Goods, including but not limited to latent defects, associated with the manufacture of the Goods, the expected shipping date, and/or the progress in the performance of the Services. Supplier waives and releases from all claims for injury or damage to Supplier, its agents or employees in connection with the performance under this Order.

   a. Supplier warrants that neither the Goods, nor Services use thereof shall infringe on any existing or pending patent, copyright, trademark, trade name, invention or process of manufacturing or other intellectual property right.

11. Young Global Compact.
   a. SSAB actively supports the UN Global Compact's principles and we encourage our suppliers to align with the same principles (available at www.unglobalcompact.org). SSAB, or a third party assigned by SSAB, reserves the right to conduct reviews of Supplier on-site audits to ensure compliance with SSAB's Supplier Sustainability Policy. Supplier agrees to cooperate in order to facilitate such reviews or audits. SSAB also expects Supplier, within its sphere of influence, to monitor its own suppliers for commitment to environmental and social responsibility. Supplier further agrees that it will perform the work under any order from SSAB in conformity with SSAB's Supplier Sustainability Policy (available at www.SSAB.com).
